

SYNERGY™

What is Synergy™?

Synergy™ is a patent pending polyester yarn manufactured using unique techniques that impart **High Bulk & Resilience** to the Yarn.

Why Synergy™?

- It offers **Excellent Performance**
- Compared to a regular carpet yarn, Synergy's™ consumption expected to be **20% lower**, offering the same **coverage** and leading to **cost saving**. The **performance rating** for Synergy™ is **higher** compared to the **regular carpet yarn**.
