

What is Rezilia[®]?

Rezilia[®] is a **high performance BCF yarn** specially designed to suit the needs of **modern residential spaces**.

Rezilia[®] is used to produce **extremely soft carpets & rugs**, available in **2.5 dpf & above**.

Why Rezilia[®] ?

Rezilia[®] offers **softness with performance**.

Excellent colour fastness & brilliant shades.

Rezilia's **high resilience & bulk** assures the **carpet's durability**.

Floor coverings made from Rezilia[®] are **inherently UV, stain, bleach & fade resistant**.
